Colonel Lawrence Wilkinson
Director of the Economic Division
CINCUS, Berlin, Germany
APO 742, c/o Postmaster, New York

Dear Larry:

This will serve to introduce Mr. Frederick G. Hughes, retired President of the New Departure Division, General Motors, who has agreed as a matter of patriotic duty to make the Kugelfisher bearing study which General Clay cabled me about a few days ago. I know you will extend every courtesy and assistance to Mr. Hughes.

Sincerely yours,

/s/ William H. Draper
